3.3(b)(1) ARGENTINA: Political Uncertainty

3.3(b)(1)

President Viola, [redacted]
[redacted] is unlikely to be able to resume his normal workload any time soon. Interior Minister Tomas Liendo has been named Acting President. If the three-man military junta determines--as it may be doing--that Viola will be permanently incapacitated, it probably will name a military man to serve the balance of his term. Army Commander Galtieri is the most obvious candidate, but former President Videla or the popular First Corps commander, General Bussi, could be chosen. [redacted]
